

Give Kids the Extra Credit

Tucson Unified School District School Addresses

You can help Tucson kids, from kindergarten through high school, have the greatest academic success by giving them the opportunity to participate in the "extra"--in extra-curricular activities, including sports, arts and field trips and more.

You can give kids this opportunity by taking advantage of Arizona's public school tax credit program. You just choose to pay some of the state income tax you owe (up to \$200 filing single; up to \$400 married, filing jointly) directly to a TUSD school. Instead of sending all your tax money to Phoenix, you can spend some of it right here in Tucson to help kids succeed in school.
